Memorial Day commemorates the men and women who died while in the military services for our country. The 21 Gun Salute baseball tournament honors this holiday weekend. For 4 years, the tournament honored the tradition of Memorial Weekend with parades, fly-overs, and a 21 Gun Salute. 2012 will be the second year as part of the Triple Crown Great Lakes Series. The Cincinnati area also offers plenty to do away from the field including the Cincinnati Reds, the Newport Aquarium, riverboat casinos and the world famous Cincinnati Zoo!
